

PRIMATE NEUROBIOLOGY: RESEARCH, METHODS, ETHICS

Final Program

Thursday, March 15, 2018

- 09.00–10.30 **Public and Politics in Nonhuman Primate Research**
Andreas Kreiter *University of Bremen*
- 10.30–11.00 *Discussion and coffee break*
- 11.00–12.30 **Nonhuman Primate Research: Law, Regulations, and Documentation**
André Kaminiarz *Neurophysics, University of Marburg*
- 12.30–13.30 *Discussion and lunch break*
- 13:30–15:00 **Sensory Research in Marmosets**
Steffen Hage *University of Tübingen*
- 15.00–15.30 *Discussion and coffee break*
- 15.30–17.00 **Cerebellar Functions**
Peter Thier *University of Tübingen*
- 17.00–18.30 **Subcortical Circuits for Coordinating Perception and Action**
Ziad Hafed *University of Tübingen*

Friday, March 16, 2018

- 09.00–10.30 **Perceptual Decision Making**
Hendrikje Nienborg *University of Tübingen*
- 10.30–11.00 *Discussion and coffee break*
- 11.00–12.30 **Nonhuman Primate Research Ethics**
Gardar Arnason *University of Tübingen*
- 12.30–13.30 *Discussion and lunch break*
- 13.30–15.00 **Refinements in Primate Training for Neuroscience Research
Considering Impacts of Housing and Welfare**
Anna Mitchell *University of Oxford, UK*
